

CONSENT FORM

With this signature below, I agree to participate in the experiments in the Mobile Video Perception research conducted by the Faculty of Computer and Information Science, University of Ljubljana (UL FRI), Slovenia. I confirm that I am aware that the data about my mobile video viewing behaviour will be collected and used for research purposes. I understand that access to anonymized collected data will be allowed to the researchers at the UL FRI and other interested researchers. Any published results or data of this study will only refer to anonymised data, and aggregated statistics that do not reveal the identities of the participants. As a participant I have the right to opt out of this study at any time during the experiment by informing the investigators of my choice. Moreover, I have the right to get an insight into any information in the data set related to me, and request for any part of that data to be removed before the data anonymization is performed.
